Doordarsan programmes from Vijayawada.

1. Gave voice over both in Hindi and Telugu to a talk between Harvindar Singh and a Telugu-based Hindi scholar on the similarities between Punjabi and Telugu language on the PM Modiji's 'Ek Bharat Sresht Bharat' programme in 2018.

Innovation: Gita vision foundation which was founded in 1995 has been renamed as GITA VISION TRUST (Regd.no. 252iv/2018) with its head quarters in Vijayawada.

KARMAYOGI – JNANAYOGI –BHAKTIYOGI TITLES/AWARDS TO DESERVING PERSONS FROM VARIOUS FIELDS. Five persons from different fields were presented with the titles at Sivaramakrishna Kshetram, Vijayawada on Dec 1. 2017 on the occasion of Gitajayanti .

In 2018 Five eminent persons were presented with the awards on the occasion of Gita Jayanti.

The objective of presenting the awards is to avoid the complexity of Gita and makes it a part and parcel of daily life.

So far Gita was limited to certain formal programmes like conducting Competitions in recitation of Gita slokas and elaborate lectures which made it a Latin and French for the common man.

Psychologically speaking, the trend will doubtlessly inspire the recipients to do more good and the spectators to follow in the foot steps of the recipients titles/awards.

Hobbies: Writing scripts for short films and lyrics.

Composing music for songs. Can play Casio well. andmore in person.
